GENERAL INSTRUCTIONS:

Dear Parents

Warm greetings, as you know that vacation are about to come so here are some tips to make your ward's vacation a fruitful and happy period for them.

- Share some stories or thoughts with your ward related to humanity ,religion, peace etc.
- Help your ward to learn new English words and try to give them instructions in English.
- Please allow your ward to play outdoor games in the evening instead of playing games on mobiles and computer.
- Get some story books and colourful pictures books for your ward.
- Use golden words regularly with your ward like sorry, please, thank you, excuse me etc.
- Have atleast two meals together with your child. Teach them the importance and hard work of the farmers and ask them not to waste their food.
- Before sleep spend atleast 10 minutes daily with your child and ask him/her about their whole day activities.

All kids need a little help, a little hope and someone who believes in them .
