

**SANT NIRANKARI PUBLIC SCHOOL, FARIDABAD**  
**HOLIDAYS HOMEWORK (2019-20)**

**CLASS-III**

The much awaited summer vacation is knocking the door. Every year students wait eagerly for the summer vacation as a break from the hectic schedule and some leisure time. Summer vacation is a wonderful time for self learning. So, let your child make optimum use of the vacation. Let your ward explore the nature, discover different cultures, traditions, cuisine, local crafts etc. of the places that you visit the vacation. It is an ideal time to pursue hobbies and follow their passion. It is also the time to indulge in good quality time with family and friends and learn to value relationships.

**Wishing to see your child after the summer break rejuvenated with a broader outlook and positive attitude.**
