### **HOLIDAY HOME WORK(SUMMER)**

**2019-20**

We hope the children enjoyed their first spell in school as much as we enjoyed getting to know them. The school is a second home. Hope our children have started feeling at home in school by now. Summer Vacations are just round the corner. To keep our little ones indoors in the sweltering heat and to utilize their time with constructive and creative activities, we are sending a few assignments that would help the children get a grasp of the work done in the school.

### **FOR THE PARENTS**

---

- Be a Friend: Play games with your child like ludo, carom-board or scrabble.
  - Explore nature: Take your child for morning walk, count trees, cars, stones, flowers etc. while going for a walk.
  - Sharpen memory: Put a few things on a tray show the tray to your child for a while and then cover the tray. Ask your child to name the object which were on the tray. This activity will help enhancing the memory and vocabulary of your child.
