Alphabet Fun

In English, we have a set of letters in a fixed order.

There are 26 letters in English alphabet.

These 26 letters make up the alphabet family.

We write these 26 letters in two ways:

Capital letters: ABCDEFGHIJKLMNOPQRSTUVWXYZ

Small letters: abcdefghijklmnopqrstuvwxyz

The letters **Aa, Ee, Ii, Oo, Uu** are called **vowels**.

The other letters are called **consonants**.

Alphabetical Order: The order in which we recall all the letters of the English alphabet family, is the alphabetical order.

Example: When we write **a b c d e**, all the letters are in alphabetical order.

When we write **a d p c**, the letters are not in alphabetical order.

A. Arrange the following groups of words in *alphabetical order*.

Hint: The first letter of every word helps us write the words in alphabetical order.

Example: bat, ant, cat, dog, pan

ant, bat, cat, dog, pan

- | | | | | |
|---------|-------|-------|-------|-------|
| 1. sat | mat | pat | dad | fat |

| 4. eat | beat | seat | treat | neat |

| 5. weep | keep | leap | reap | sleep |

B. Fill in the blanks with *vowels (a, e, i, o or u)* to complete these words

C. Fill in the blanks with *consonants* to complete these words.

English: Read and learn the given poem carefully:

Poem- Safe on the Other Side (MCB)

Up the street I look to see,
If any traffic is near me.
Down the street I look as well,
And listen for a horn or bell,
 There's something coming-
 Wait a bit,
 If I run out
 I may be hit!
But now the road is clear,
No car or motor bus is near,
I'll walk across the road so wide
Hurrah I'm safe on the other side.

Rhyming Words

see- me
well- bell
hit -bit
clear- near
Wide -side
