VANMAHOTSAV WEEK 7 July 2021

Van Mahotsav is an annual one week tree planting festival in India which is celebrated in the first week of July. It was started in the year 1950 by Kanaiyalal Maneklal Munshi by planting a tree at Rajghat, Delhi.

Trees provide us with many benefits necessary for survival, including clean air, filtered water, shade and food. They also give us hope and courage to persevere – even in the harshest conditions.

Keeping in mind the importance of trees, even in this pandemic situation too students celebrated Van Mahotsav Week at their homes or nearby gardens. Students showed respect and love towards nature by taking part in various school activities with deep desire and enthusiasm. These activities were-

Activity	Classes
Dressing up like a Tree	Nursery-UKG
Paper Plate Snake Craft Using Bubble Wrap	I-II
DIY Spring crown	III-V
Poster Making	VI-VIII
Slogan Writing	IX-X
Rainforest Scene	XI-XII

Students took photographs as well as made videos which were uploaded on the school Face book page. Celebrating this week made the students realize that "The care of the Earth is our first and foremost responsibility."

“If nature heals us... We too should protect it ...”
