

SANT NIRANKARI PUBLIC SCHOOL, FARIDABAD

SUMMER VACATION WORK

CLASS 4

Dear Parents

We are all in a new normal situation and we hope you and your family are safe and healthy.

Our goal is to provide continuous educational opportunities and practice for students while schools are closed but also to eliminate as much as feasibly possible for students and parents. So, we have designed work during the holidays for our students keeping this in mind.

"Each child is an individual and must be allowed to bloom, express his feelings and ideas." My Dear Parents, spend time listening to your child, sharing household chores, playing, laughing, exercising, relaxing and above all praying to the power you believe in. Here I want to remind you that your holidays are going to start from 23rd of May 2022 to 3rd July 2022. School will reopen on 4th July 2022.
